November 4, 2009

Dear Parents/Guardians:

On the reverse side of this letter please find a copy of the most recent correspondence from the Morris County Office of Health Management. As you may be aware, schools across the county are beginning to report isolated occurrences of H1N1. The attached information may be helpful to you.

Please be advised that at Riverdale School we continue to take necessary precautions to promote the health and safety of our youngsters. We continue to sanitize public areas within the school, promote frequent hand washing with soap and water and encourage students with presenting symptoms to remain at home and seek medical advice.

Additionally, Mrs. Rapone, School Nurse, will be addressing the PTA on **Thursday, November 12th at 7:30 p.m.** regarding this topic.

Thank you for your cooperation as we work together in the best interest of your children.

Sincerely,

Betty Ann Wyks, Ed.D.
Superintendent
