

In 2008-09 our district was evaluated by the State Department of education , using the QSAC (Quality Single Accountability Continuum) model, in accordance with N.J.A.C. 6A:30. The district was evaluated in the areas of: Instruction and Program, Fiscal Management, Operations, Personnel and Governance. As a result of that evaluation, it was determined that Riverdale School District has been designated, by the Department of Education, as a High performing district.

The following chart provides the district’s placement on the continuum in each of the “district performance review” (DPR) areas:

DPR Area	Placement on the Continuum
Instruction and Program	92%
Fiscal Management	86%
Operations	96%
Personnel	100%
Governance	100%

The Commissioner of Education has certified, pursuant to N.J.A.C. 6A:30-4.1(c) that our district can “continue operation as a public school district in the State of New Jersey for a period of three years, or until the district’s next QSAC review.”
