

# Summer Reading Fun

Dear Partners in Learning,

Your child recently read a poem in class called "The Magic Ticket." It was a poem about the library and that all that is needed to have a grand adventure is a library card! This poem was a great way to get your children excited to read over the summer break. With this in mind, we have included a book list as a reference when helping your child select a book.

When selecting a book with your child, keep in mind that if there are five or more words on any page that they cannot read, that selection is too difficult for them to read independently. They may want to read it with an adult or a fluent reader. As your child reads a book have him/her record the selection on the enclosed book list.

The Riverdale Public Library is a great source of information and interesting books for your child to explore this summer. They are always happy to help make selections and have additional book lists that are appropriate for incoming second graders.

It is our hope that you and your child enjoy the adventure that is summer reading! Have a happy and healthy summer.

Sincerely,

Your Future Second Grade Teachers

***The Magic Ticket***

*A library card might take you places  
Near and far away.*

*Just check out a book and you  
Can fly away today.*

*A book can take you to the stars  
Or underneath the sea.*

*A library card is all you need,  
And best of all, it's free.*
