

SUMMER READING FUN

Dear Partners in Learning,

Summer reading is an opportunity for children to discover the joy reading can bring to life. Whether through an amazing adventure or fantasy set in a faraway land, it is our hope that your children will have an enjoyable reading experience.

The two books your child will be required to read this summer are, Miss Nelson is Missing, by Harry Allard, and Frog and Toad Are Friends, by Arnold Lobel. After each book is read, your child will complete various activities on a bingo board. This board is designed to allow your child the opportunity to express their creativity by completing various projects associated with the two books read. They must choose three projects in a row to get "bingo". They can go vertical, horizontal, or diagonal. One bingo board for each book is enclosed.

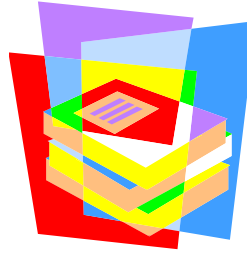

We know that this will be an enjoyable experience for you and your child as you complete the Summer Reading Fun projects. Please have your child bring their completed projects by Thursday, September 8. We will use them to complete various activities to commemorate an exciting new year of learning.

Thank you in advance for your enthusiasm as we prepare for a wonderful year in second grade. Please do not hesitate to contact us with any questions or concerns you may have prior to the close of the school year.

Sincerely,

Your Future 2nd Grade Teachers

Summer Reading Fun

Dear Partners in Learning,

This summer, when selecting a book with your child, keep in mind that if there are five or more words on any page that they cannot read, that selection is too difficult for them to read independently. They may want to read it with an adult or a fluent reader. With this in mind, we have included a book list as a reference when helping your child select a book. As your child reads a book have him/her record the selection on the enclosed book list.

The Riverdale Public Library is a great source of information and interesting books for your child to explore this summer. They are always happy to help make selections and have additional book lists that are appropriate for incoming second graders.

It is our hope that you and your child enjoy the adventure that is summer reading! Have a happy and healthy summer.

Sincerely,

Your Future Second Grade Teachers
