INTRODUCTION AND PURPOSE

The purpose of this Purchasing Manual is to assist all Board of Education employees in the proper purchasing practices to be in full compliance with:

- New Jersey Public School Contracts Law N.J.S.A. 18A:18A-1 et seq.;
- New Jersey Administrative Code N.J.A.C. 5:34-1 et seq.;
- Board of Education Purchasing Policies;
- Federal Procurement Code--2 CFR 200.317 et seq., when applicable;
- NJQSAC Fiscal DPR Indicator #15;
- Local Finance Notices – NJ Division of Local Government Services; and
- Other laws and administrative code when applicable.

The Purchasing Manual is designed to achieve three (3) goals:

1. Compliance with the law, code and board policy on purchasing;
2. Promote efficiency in the purchasing practices; and
3. Achieve savings of money through proper purchasing practices.

Proper Planning

We ask you, the user of the purchasing system, to help achieve these goals through proper planning. Please allow yourself enough leeway between generating a purchase order and the actual date materials or services are needed. Please think of purchasing in terms of a whole year. What items and services do you need on an annual basis? Through proper planning, we can eliminate much of the frustration that is encountered with all public school purchasing procedures.

Who Should Review this Manual?

This manual should be reviewed with all administrators, department heads, teachers, secretaries, and others who are involved in the purchasing process. It is imperative that everyone adhere to all purchasing laws and guidelines.

If you have any questions concerning the following guidelines, please do not hesitate to call the Business Office, Extension 103.

Deliberative Process—Purchases of Goods and Services Take Time!

- **Compliance with Law; Code; Board Policy**

Public school purchasing is a deliberative process, designed to ensure compliance with the Public School Contracts Law, appropriate New Jersey Administrative Code, board of education policy and when applicable, Federal Procurement Code.

- **Limit Fraud**

The deliberative process also encompasses checks and balances and internal controls designed to limit fraudulent activities.

Public school purchasing is indeed a time consuming effort; please be patient!

Mandatory Training

All school personnel involved in the requisition and purchasing process shall attend an annual mandatory training session concerning proper purchasing procedures. The training will be presented in two (2) parts:

Part I—Purchasing Procedures

All administrators, supervisors and principals, pursuant to N.J.A.C. 5:34-1.1 (b), shall attend this mandatory training session on purchasing procedures.

Part II—Requisition and Purchase Order Process

All school personnel involved in the preparation of requisitions and purchase orders shall attend this mandatory training session.

Recommending Purchases; Educational/Operational Rationale

Administrators who recommend purchases should be able to explain and defend the need of the purchase and why the purchase is essential to the school district. Administrators who sign off on requisitions/purchase orders may have to provide an educational or operational rationale for the purchase based on the following:

- How will students learn or benefit from the purchase?
- What educational achievement or program may be linked to the purchase?
- How is the purchase of operational value to your school/office?
- Are the goods/services purchased useful for the long term rather than immediate need?
- Have inventories been checked to determine whether there is a real need for the purchase?

Administrators may have to justify the need for the purchase and if so required, explain the need at a Board of Education meeting.

QPA Certification—Current Bid Threshold--\$44,000

Any thresholds listed are based upon the assumption the School Business Administrator/Board Secretary possesses a Qualified Purchasing Agent (QPA) Certificate and the board of education has set the bid threshold at the current maximum of \$44,000.

❧ ETHICS AND CONDUCT IN PURCHASING; VENDOR RELATIONS ❧

All district employees are to practice exemplary ethical behavior in the purchasing process. C. School District Responsibility--Favoritism; Family Members; Businesses

❧ PUBLIC SCHOOL PURCHASING—LEGAL AUTHORITY ❧

Authority to Purchase—School Business Administrator/Board Secretary

The purchase of goods and/or services by a Board of Education is governed by state statutes, administrative code and Board policy. New Jersey State Law 18A:18A-2(b) assigns the legal authority to the Purchasing Agent (School Business Administrator) to make purchases for the Board of Education.

The Purchasing Agent is the only individual in the school district that has the authority to make purchases for the board of education. The terms “Purchasing Agent” and “School Business Administrator” will be used interchangeably throughout the manual.

Authorized Purchases

All requests for purchases of goods and/or services must be made through an approved purchase order signed by the Purchasing Agent, prior to the goods or services to be received.

Purchase Order--Defined

A purchase order, pursuant to N.J.S.A. 18A:18A-2 (v), is a document issued by the Purchasing Agent authorizing goods or materials to be ordered for the school district or work/service to begin. No goods or materials may be ordered or work/service be authorized to begin by any other individual in the school district other than the Purchasing Agent.

Unauthorized Purchases

Any school district employee who orders and/or receives any materials, supplies or services without first going through the approved purchase order process has made an unauthorized purchase.

Unauthorized purchases are a violation of State Law and Board Policy.

Penalties and sanctions for unauthorized purchases may be assigned by the Superintendent of Schools, which may include for the employee to pay for the unauthorized purchase.

Corrective Action for Non-compliance

1. **Memo to Administrator**

If the Purchasing Agent has determined that an unauthorized purchase has been made, a memo will be sent to the responsible administrator advising the administrator of the unauthorized purchase. The Superintendent of Schools shall receive a copy of the memo.

2. Memo to Superintendent

The responsible administrator shall prepare a memo explaining the reasons why proper purchasing procedures were not followed. The memo will be attached to the purchase order and a copy of the memo will be sent to the Superintendent of Schools.

3. Letter to Vendor

The Purchasing Agent will also send a letter to the vendor who provided either unauthorized services or goods. The letter will advise the vendor that payment may not be made for the unauthorized purchase.

District Sanctions for Violations

All district employees are reminded that the school district may receive sanctions because of unauthorized (confirming) purchases. Employees are to note the following consequences of such actions:

1. Withholding of State Aid—N.J.A.C. 6A:23A-5.4

The Commissioner of Education may withhold State funds from any school district that fails to obey the provisions of the Public School Contracts Law—N.J.S.A. 18A:18A-1 et seq.

2. NJSAC Fiscal DPR Indicator #15

The school district is subject to a penalty of four (4) NJSAC points by not being in compliance with the Fiscal District Performance Review Item #15, which prohibits confirming or unauthorized orders.

3. Audit Finding and Recommendations

All financial transactions are subject to audit review. The district may receive an audit finding and recommendation for unauthorized (confirming) purchases. Repeat audit findings may lead to sanctions against the school district.

4. Employee Sanctions

The Superintendent of Schools may recommend to the Board of Education the filing of sanctions against any employee who does not comply with federal and state purchasing laws and code, board policy and district purchasing procedures. The sanctions may include, but are not limited to, paying for any unauthorized purchase, withholding of increment, suspension or tenure charges.

Purchasing Prohibitions

1. Employees Prohibited from Signing Contracts--Prohibition

Board of Education employees are prohibited from signing any contract offered by a vendor. The power to sign and execute contracts after Board of Education approval lies with the Board President and the Board Secretary. This includes free trial contracts signed by clicking online.

Personal Liability- Contracts signed by an employee shall be considered non-binding by the Riverdale Board of Education with the employee accepting full responsibility for the costs of the contract.

2. Reimbursements: Employee--Prohibition

The Board of Education only recognizes an employee reimbursement purchase order when it pertains to tuition reimbursement, pre-approved travel, meals and conferences. The Board will not reimburse employees for items and goods personally purchased by the employee.

3. Student Activity Accounts--Prohibition

Purchases made through Student Activity Accounts may not be reimbursed with Board funds. Purchase orders made payable to Student Activity Accounts for the aforementioned purpose will not be signed by the Purchasing Agent.

4. Private Purchases--Prohibited

Goods and services procured by the Riverdale Board of Education are exclusively for the use of the Board and if applicable, other public and non-public schools. These goods and services are purchased through the signed purchase order process.

Employees of the Riverdale Board of Education are prohibited from purchasing privately goods and/or services off the bid prices and quotation prices offered by the vendors to the Board of Education.

Purchasing Guidance

1. Cancellation of Purchase Orders--Guidance

All requests to cancel purchase orders must be made in writing to the Business Office. Reasons explaining the need to cancel the purchase order must be outlined. The Purchasing Agent maintains the sole right to cancel purchase orders.

2. Credit Cards Prohibited

Pursuant to the New Jersey Department of Education Audit Program page I-5.9, a school district is not permitted to use a credit card for the purchase of goods and services. All purchases are to be made through the purchase order process in compliance with the Public School Contracts Law.

3. Contracts; Purchase Order Required--Guidance

The award of contract to a vendor approved by the Board of Education at a public meeting does not automatically authorize any employee to use the services of, or purchase materials from, the vendor.

All contract purchases require the issuance of a purchase order authorizing the purchase of services and/or goods and materials from the vendor. N.J.S.A. 18A:18A-2 (v).

4. Preview of Materials--Guidance

All staff members must receive permission from administrators, supervisors, or principals to preview materials. After the preview process has been completed, the item must be returned. If there is a desire to purchase the previewed item, then a purchase order must be prepared for a new item.

❧ METHODS OF PROCUREMENT ❧

A. Advertise for Bids (Purchases that exceed the bid threshold--\$44,000)

This method is used for procuring goods, materials, services and public work projects that exceed in the **aggregate** of the board of education approved bid threshold of \$44,000.

Award of Contract--Lowest Responsible Bidder

The common thread of all these bids is that the district has to award the contract pursuant to N.J.S.A. 18A:18A-4 (a) to the lowest responsible bidder.

N.J.S.A. 18A:18A-2 (l). "**Aggregate**" means the sums expended or to be expended for the provision or performance of any goods or services in connection with the same immediate purpose or task, or the furnishing of similar goods or services, during the same contract year through a contract awarded by a purchasing agent.

Bids and Purchasing:

1. Bid Limit -- \$44,000

The Riverdale Board of Education is restricted by New Jersey state law on how much money can be spent by the district for the entire year on materials, supplies and services.

This restriction is called the **bid threshold** or **bid limit**. The bid limit is \$44,000. This means that any specific item, class of items and/or services of a similar nature, purchased by the school district totaling in the aggregate more than \$44,000 for the entire year, must be competitively contracted or advertised for bid. This restriction is for the entire district and not by location or schools.

School officials cannot circumvent the law by splitting purchases to be under the \$44,000 bid limit. Administrators that have purchases that may exceed the \$44,000 bid limit, are to contact the Business Office to begin planning the bid process.

The formal bidding process takes about 6-8 weeks to complete as explained the Appendix under Bid Process.

2. Annual Bids- N.J.S.A. 18A:18A-9

The Board of Education, to be in compliance with N.J.S.A. 18A:18A-9, requests administrators/supervisors and school principals start to plan and prepare for Annual Bids. The proposed time lines are as follows:

February-March	Administrators/Supervisors prepare technical specifications to be reviewed by Purchasing Agent.
April	Purchasing Agent prepares final bid specifications to be drafted in a manner to encourage free, open, and competitive bidding. Bids are advertised pursuant to the Public School Contracts Law.
May/June	Annual bids are received, opened and tabulated by Purchasing Agent.
June	Bid resolutions are prepared by Purchasing Agent for Board of Education review and approval.
June	Purchase orders are generated by Administrators/Supervisors and presented to the Purchasing Agent for services to begin on July 1 st .
June/July	Purchase orders are generated for goods and materials to be delivered to the schools for August/September delivery.

3. Bidding: Time Frame

As stated before, the formal bidding process usually takes about 6-8 weeks from start to finish. Please plan appropriately. An outline of the bidding process is located in the Appendix.

4. Exceptions to the Bid Limit

New Jersey State Law allows for some exceptions to the bid requirements. There are approximately twenty (20) exceptions where a Board of Education does not have to go for bid for goods and services. Some of them are:

- a. Purchasing through New Jersey State Contract;
- b. Professional services as outlined by New Jersey law;
- c. Textbooks, kindergarten supplies, student produced publications, library and educational goods;
- d. Legal notices, food supplies, milk, utilities, insurance, election expenses, travel and conferences; and

- e. Contracts with other government entities; county and state colleges.

These purchases may be subject to the quotation process pursuant to N.J.S.A. 18A:18A-37(a) if practicable.

The Business Office should be contacted concerning exceptions to bidding.

5. **Award of Contract- Lowest Responsible Bidder**

The common thread of all these bids is the district has to award the contract pursuant to N.J.S.A. 18A:18A-4 (a) to the lowest responsible bidder.

B. **Quotations (Purchases that fall between \$6,600 and \$43,999)**

This method of procurement is used for contracts for goods, materials, services and public works projects that in the aggregate are between \$6,600 and \$43,999.

Examples:

Athletic Trainer Supplies

Fitness Equipment

Tech Supplies

Grounds Equipment

Repair Services

Musical Supplies

Athletic Wear

Award of Contract—Price and Other Factors

The Board of Education is obligated to solicit at least two (2) competitive quotations and award the contract pursuant to N.J.S.A. 18A:18A-37 (a), to the vendor whose response is most advantageous, price and other factors included.

Quotations and Purchasing

1. **Quotation Limits--\$6,600 through \$43,999**

The quotation limit (threshold) presently is \$6,600. This means that any specific item or group of items of a similar nature purchased by the school district, totaling more than \$6,600 and less than \$44,000 for the entire year, must be competitively quoted or advertised for bid at the discretion of the Purchasing Agent.

School officials cannot circumvent the law by splitting purchases to be under the quote threshold.

2. **Quotation Process**

All quotations shall be in writing and will be coordinated by the Business Office. When a quotation is deemed necessary, the Administrator or Principal is asked to contact the Business Office. The Business Office will review these quotation specifications to determine whether they are set up to provide open and competitive quotations.

*Please note: The formal quotation process could take about 2-4 weeks from start to finish.
There will be no telephone quotations except in a case of extreme urgency.*

3. Receipt of Two (2) Quotations

Pursuant to N.J.S.A 18A:18A-37(a) the school district shall solicit two (2) quotations, if practicable. Evidence of the quotation process shall be kept on file. A copy of all of the quotations should be sent to the Business Office along with the pink sheet.

C. Request for Proposal—RFP -- This method is preferred for the following contracts:

Professional Services

Medical
Auditing; Accounting
Legal
Engineering, Architectural
Special Education Related Services

Academic/Operational Services

(Contracts less than \$44,000)
Instructional Improvement
Educational Consultants
Professional Development

Award of Contract—Evaluative Criteria

The RFP method is designed to award the contract to the vendor based upon a list of criteria which include as recommended by the New Jersey State Comptroller's Office with the

Best Practices in Awarding Service Contracts (2010)

- Technical
 - Submission of narrative how firm will provide services; planned approach; measurable results
 - Understanding how services will be provided
- Management
 - Business organization; staffing
 - Experience; and
 - Knowledge of district
- Cost
 - Fee proposal submission; cost analysis

The contract for an RFP contract does not; I repeat, *does not* have to be given to the respondent who submits the lowest price. The evaluative criteria process is designed to award the contract to the respondent whose response will provide the highest quality services at fair and competitive prices.

D. Competitive Contracting (Certain Contracts over \$44,000)

This procurement method is used for certain contracts over \$44,000.00.

The district can only use this method for contacts that are outlined in NJ State Law 18A:18A-4.1. Some of the examples that are permitted are

- Proprietary Computer Software for Board Use
 1. Student Data Warehousing
 2. Student Information System
 3. Business Office; Human Resources Software
- Professional Development Services
- Educational Consultant Services

- **Instructional Improvement Services**

The award of contract is similar to the RFP award of contract. It is based upon the same evaluative criteria which are designed to award the contract to the respondent whose response will provide the highest quality services at fair and competitive prices.

The administrative process of Competitive Contracting as outlined in N.J.S.A. 18A:18A-4.1 et seq. and N.J.A.C. 5:34-4.1 et seq. is a rather lengthy process and may take 6-8 weeks to complete.

E. State Contract—NJ Start--Purchasing

Pursuant to N.J.S.A. 18A:18A-10 (a), a Board of Education may purchase goods and services through **New Jersey START** (NJ START) contract vendors. If the purchase exceeds the bid threshold, the Board of Education must adopt a resolution awarding the contract.

It is the recommendation of the Purchasing Agent to procure the following equipment and supplies from New Jersey START (NJ START) Contract vendors.

❶ *Office Supplies and School Supplies*

The Purchasing Agent will distribute separate memos highlighting State Contract vendors who sell Office Supplies and School Supplies. Please review these memos with your staff.

❷ *Computers*

If you plan to purchase computers, please adhere to the following process prior to completing purchase orders for computers.

All purchases of copiers must be pre-approved by the School Business Administrator and the Superintendent of Schools. All purchases of copiers through the State Contract GSA pricing require Board of Education approval pursuant to the requirements of N.J.A.C. 5:34-9.7.

A request to increase a purchase order amount must be approved by the Business Office.

Vendors Doing Business with the District**New Vendors**

The Business Office must enter new vendor information in Asbury Park prior to using the services or goods of that new vendor. Vendor Performance- Unsatisfactory

It is hoped that vendors used by the school district provide goods and services in accordance with the terms and conditions of the contract. If any school official does not receive goods or services in a satisfactory manner, it is important the Purchasing Agent be informed.

Debarment, Suspension or Disqualification– (N.J.A.C. 17:19-1.1 et seq.)

The Board of Education will not enter into a contract for work with any person, company or firm that is on the State Department of Labor and Workforce Development; Prevailing Wage Debarment List, or the State of New Jersey Consolidated Debarment Report (www.state.nj.us/treasury/debarred) or the Federal System for Award—SAM.gov.

Signing of Contracts with Vendors--Prohibited

School officials are strictly prohibited of signing any contracts with vendors, unless expressly authorized by board resolution. All contracts with vendors shall be reviewed by the School Business Administrator, who if satisfied, will affix his/her signature to the vendor contract.

Purchases—Bids May Be Required—Discretion of School Business Administrator

The School Business Administrator is aware of the following exception to bidding.

Goods and services paid with funds that: are raised by or collected from students to support the purchase of student-oriented items or materials, such as yearbooks, class rings, and a class gift; and are deposited in school or student activity accounts; and require no budget appropriation from the board of education; N.J.S.A. 18A:18A-5 (a) (21)

It will be the determination of the School Business Administrator, whether an advertisement for bid will be required for a Student Activities purchase, which in the aggregate exceeds the bid threshold of \$44,000.

Purchases—Quotations Required

Goods and services paid with student activity funds and require no budget appropriation from the Board of Education, are considered an exception to bidding under the New Jersey Public School Contracts Law. It is important to note however, that purchases less than the bid threshold may be subject to official quotations solicited by the School Business Administrator. Please alert the Business Office for any upcoming purchases that are more than \$6,600.

Purchases—Board Resolution Required Exceeding the Bid Threshold

All purchases exceeding the bid threshold, currently \$44,000, require prior Board approval at a regularly scheduled meeting.

Board Resolution -- Pursuant to N.J.S.A. 18A:18A-5 (a) (21) all purchases from the student activity account that exceed the bid threshold must be approved by board resolution prior to the purchase being made.

 SELECT PURCHASING TOPICS

A. Field Trip

The district has secured through the competitive bid process, prices for various types of transportation vehicles needed for approved field trips. A special bulletin has been issued to all administrators, directors, supervisors and principals. All employees are reminded of the following guidance as it pertains to field trip transportation:

VENDOR PAYMENT PROCESS

Contracted Services

Role of School District

Purchase Order Contract Amount—Not To Be Exceeded!

The contracted services vendor/provider (vendor) receives a purchase order from the Purchasing Agent notifying the vendor that services may begin.

The purchase order has a total contract amount. This contract amount may not be exceeded unless authorized by the Board of Education in writing.

Monitoring Contract Amount—District Administrator Responsibility!

The School Business Administrator asks all district administrators to monitor all vendor bills and invoices to ensure they do not exceed the total contract amount. Administrators are asked to contact the Purchasing Agent, forty-five (45) days in advance, if the total contract amount is close to being exceeded. The Purchasing Agent then can begin a process to exceed the purchase order amount pursuant to administrative code.

Exceeding Contract Amount—Unauthorized Service!

If any administrator permits a vendor to exceed the contract amount, the administrator has permitted an unauthorized service, which is similar to an unauthorized purchase. Administrators are asked to monitor the dollar amount of services being provided to the district.

Monitoring Contract Amount—Vendor Responsibility!

The district asks all vendors to also monitor all bills and invoices to ensure they do not exceed the total contract amount. Vendors are asked to contact the respective administrator, forty-five (45) days in advance, if the total contract amount is close to being exceeded.

Exceeding Contract Amount — Written Authorization!

Contracted vendors may only exceed the amount on the purchase order when authorized by the School Business Administrator in writing. The authorization will be in the form of a new purchase order being issued to the contractor signed by the Purchasing Agent.

Submission Deadlines – Third Thursday of Each Month

The Board of Education traditionally meets on the third Thursday of each month. The Business Office asks that all bills and invoices for payment be submitted by the second Thursday of each month.

The Business Office cannot begin the payment process until the Receiving Copy is received.

End of Year Billing/Cancellation of Purchase Orders

Administrators are to work with contracted service vendors so that end of the year invoices are submitted to the Business Office in a timely fashion. This is imperative. In order to comply with the State of New Jersey Department of Education requirements, the district has adopted a policy of canceling open purchase orders at the end of the fiscal year. All invoices must be billed within thirty (30) days of services to meet the State Department of Education deadline. If we are not in receipt of your invoice within the thirty (30) day deadline, we will not be able to process payment in a timely fashion and the corresponding purchase order may be cancelled, thereby causing a delay in payment.
